Profile

Results-driven sales and business development professional with experience in international client communication, lead generation, and closing deals. I turn first conversations into long-term clients through personalised outreach, clear proposals, and disciplined follow-up. I also use AI tools and CRM systems to work faster and stay organised. Experienced in managing global clients through online marketplaces, preparing winning project proposals, negotiating contracts, and coordinating cross-functional teams to ensure successful project delivery.

Work Experience

Executive, Sales, *Softvence Agency* 02/2026 – Present
Mohakhali

- Manage international clients through Fiverr, maintaining a 100% response rate; prepare customized project proposals and negotiate contracts to close deals.
- Coordinate project execution between clients and internal teams to ensure timely delivery and effective communication
- Generate qualified leads through proactive outreach and manage the full sales cycle from first contact to deal closure.

International Telemarketing Agent, *Sales Squad Call Center* 11/2025 – 02/2026
Mohammadpur

- Executed outbound cold-calling campaigns to international clients, generating qualified leads and converting prospects into scheduled appointments while maintaining accurate customer records.

Manager & Sales, *Mihan Enterprise* 07/2024 – 10/2025
Mirpur

- Managed daily sales operations, inventory, and customer relationships for a wholesale business.
- Supervised and guided a team of five employees to ensure efficient operations and high service standards.

Marketing Associate, *Immune Studio* 01/2024 – 06/2024
Dhaka cantonment

- Developed engaging marketing content, promotional copy and scripts to support branding and digital campaigns.
- Collaborated with creative teams to produce compelling content using storytelling and strategic messaging.

Enumerator, *Action for Innovative Research (AIR)* 01/2023 – 12/2023
Mirpur

- Conducted face-to-face household surveys for a government transportation research project under the Roads and Highways Department.
- Collected, verified, and maintained accurate field data while ensuring confidentiality and compliance with project guidelines.

Education

Bachelor of Science in Physics, *Govt. Bangla College* 01/2018 – 12/2022
